- Strong writing and editing skills
- Background in creative or professional writing
- Ability to manage different projects at the same time.
- People/Conversational skills.
- Ability to assist to different events with the company.
- Experience with Microsoft office.

Who We Are:

Harold Technology Group values diversity and we encourage members of historically under-represented groups to apply for our positions, and we seek candidates who will contribute to the climate and body of diversity at our company.

Harold Technology Group is an equal opportunity Employer and is firmly committed to supporting and celebrating all forms of diversity. We are committed to equal treatment of all employees without regard to race, national origin, religion, gender, age, sexual orientation, veteran status, physical or mental disability or other basis protected by law. While Harold Technology Group is committed to following this principle in every facet of employment, all employees share in the responsibility to promote and foster a favorable work environment.

What Differentiated Us?

We offer a casual work environment where we thrive on ideas, energy, feedback, and most importantly teamwork and mentorship. We would like our interns to attend all the luncheons and coffee hours that the team attends. Each day is a new experience learning various facets of our business.

All of our internships are unpaid.

We are located at 3530 Bee Cave Rd, Suite # 206, Austin TX 78746
