TECHNOLOGY GROUP

Corporate Videographer Intern Opportunity

Title: Corporate Videographer Intern

Level: Internship- Corporate Videographer

Purpose: Videographer Intern is responsible for collaborating on a wide range of marketing projects and initiatives. This position is great if you enjoy video production (recording and editing). The Creative Content Intern will gain hands-on experience working with social media management, content creation on video format, corporate video advertisement and much, much more!

Report Relationship: This position reports directly to the Director of Communication and Marketing.

Hours and Duration: As assigned by the University (between 160-200 hours)

Responsibilities: This position is responsible for increasing our company awareness, increase social media traffic by creating technology related videos. This content will be posted in our different profiles on Facebook and LinkedIn.

Requirements:

- The Video Production Intern will work on content creation in a variety of formats.
- Develop unique and exciting videos (hype videos, promotional videos, informative videos, other non-live content) for our Facebook and LinkedIn.
- Develop technology oriented videos in order to promote technology awareness.
- Research and review promotional strategies of competitor organizations and integrate new ideas and content pieces when appropriate.
- Assist in continuing to bring brand for Harold Technology Group to promote our mission and core values.
- We need an intern that knows how to operate a camera, and has their own **(we're unable to supply equipment)**.
- We will provide a desktop (should be comfortable using Mac, we are a mac office) for video editing.

Who We Are:

Harold Technology Group values diversity and we encourage members of historically under-represented groups to apply for our positions, and we seek candidates who will contribute to the climate and body of diversity at our company.

Harold Technology Group is an equal opportunity Employer and is firmly committed to supporting and celebrating all forms of diversity. We are committed to equal treatment of all employees without regard to race, national origin, religion, gender, age, sexual orientation, veteran status, physical or mental disability or other basis protected by law. While Harold Technology Group is committed to following this principle in every facet of employment, all employees share in the responsibility to promote and foster a favorable work environment.

What Differentiated Us?

We offer a casual work environment where we thrive on ideas, energy, feedback, and most importantly teamwork and mentorship. We would like our interns to attend all the luncheons and coffee hours that the team attends. Each day is a new experience learning various facets of our business.

All of our internships are unpaid.

We are located at 3530 Bee Cave Rd, Suite # 206, Austin TX 78746
